

§ 478.148

§ 478.148 Armor piercing ammunition intended for sporting or industrial purposes.

The Director may exempt certain armor piercing ammunition from the requirements of this part. A person who desires to obtain an exemption under this section for any such ammunition which is primarily intended for sporting purposes or intended for industrial purposes, including charges used in oil and gas well perforating devices, shall submit a written request to the Director. Each request shall be executed under the penalties of perjury and contain a complete and accurate description of the ammunition, the name and address of the manufacturer or importer, the purpose of and use for which it is designed and intended, and any photographs, diagrams, or drawings as may be necessary to enable the Director to make a determination. The Director may require that a sample of the ammunition be submitted for examination and evaluation.

§ 478.150 Alternative to NICS in certain geographical locations.

(a) The provisions of § 478.102(d)(3) shall be applicable when the Director has certified that compliance with the provisions of § 478.102(a)(1) is impracticable because:

(1) The ratio of the number of law enforcement officers of the State in which the transfer is to occur to the number of square miles of land area of the State does not exceed 0.0025;

(2) The business premises of the licensee at which the transfer is to occur are extremely remote in relation to the chief law enforcement officer; and

(3) There is an absence of telecommunications facilities in the geographical area in which the business premises are located.

(b) A licensee who desires to obtain a certification under this section shall submit a written request to the Director. Each request shall be executed under the penalties of perjury and contain information sufficient for the Director to make such certification. Such information shall include statistical data, official reports, or other statements of government agencies pertaining to the ratio of law enforcement officers to the number of square miles of land area of a State and statements of government agencies and private utility companies regarding the absence of telecommunications facilities in the geographical area in which the licensee's business premises are located.

(c) For purposes of this section and § 478.129(c), the "chief law enforcement officer" means the chief of police, the sheriff, or an equivalent officer or the designee of any such individual.
